Question: Councillor S. Fitzpatrick

“To ask the Manager to install speed bumps or traffic calming measures at Beechwood Lawn, Sallynoggin, in the interest of pedestrian safety? Could the manager also address the issue of cars users regularly parking on double yellow lines and grass verges along the road?”

Reply:

Dún Laoghaire-Rathdown County Council has no proposals for traffic calming on Beechwood Lawn. Further to requests from residents, double yellow lines were recently placed along one side of Beechwood Lawn. Enforcement of these measures is a matter for the Gardaí.

Contact: John Broderick, Senior Executive Engineer, Traffic Section.
