MEETING OF DÚN LAOGHAIRE AREA COMMITTEE

9 JUNE 2010

Installation of road markings on Quinn’s Road

Question: Councillor D. O’Callaghan

“To ask the Manager to install road markings at the bottom of Quinn’s Road near the 8 acre field, i.e. centre road white line etc as the area in question has heavy traffic usage?”

Reply:

The location was inspected and it was deemed the provision of a centre white line would not be appropriate due to the narrow width and nature of the road. Alternative measures such as signing will be examined.

Contact: Gerard O’Sullivan, Assistant Engineer, Traffic Section.
